Please understand that while you are a “camper who serves” at NLC, whether it is for 1 week or more, that you will be expected to conduct yourself as though you were a staff person. We will explain what these expectations look like when you arrive. Further, while we do not charge for you to be at camp for the summer you are expected to enroll in one week of camp suitable for your age. This would be LDC1, LDC2, or Teen Camp. If you have any questions, please contact New Life Camp at 1 519 369 3366, or director@newlifecamp.ca .

Thank you for your interest in NLC.
